## Packing Information

**Clothing, Equipment and Valuables** should all be clearly marked with the camper's name!!! We ask that you *not* allow your child to bring anything that is of excessive value to camp because we cannot be responsible for their safety and/or loss.

*In regard to electronics: it has become increasingly difficult for our campers to participate fully in activities or be "in the present" with their teammates and cabin mates if they turn themselves off with headphones, electronic games or movies. It is also very difficult for the staff to prohibit inappropriate lyrics and downloaded movies or to block Internet connections. Our experience is that these devices interfere with relationship building and are not needed at camp. Many of our campers agree. We want to be "in a world apart" and so we ask you to insist that your child not bring internet-capable iPods (or equivalent devices), TV's, DVD Players, computers, stereos, cell phones, expensive cameras or watches. If any of these devices do find their way to camp, we will store them in the camp safe until the session is over. Simple radios or MP3 players used to listen to music as a group at rest hours will be permitted.*

**Pets:** Campers are not allowed to bring pets/animals to Camp.

### PACKING LIST – This completed list should accompany your child to camp in their luggage

*The following is a **suggested** list and will help organize your camper.*

**IMPORTANT: Nametags or a permanent black marker should be used to label every article of clothing and all other belongings for each camper. Unlabeled items cannot be returned to their owner.**  
If you would like to order easy stick name labels, visit our website for more information.

A list of your camper's belongings should be taped to the lid of their trunk and we recommend that you AND your camper pack together so your child really knows what they have with them!

**Clothing:** Items will be stored in the trunk/duffle bag/tote campers bring with them to Camp.

Item	Suggested quantity	Notes	Actual quantity packed
Waterproof shoes or rubber boots	1 pair	Rainy days can create lots of mud	
Warm jacket	1		
Sweatshirts/sweaters	2		
Raincoat/poncho	1		
Long pants	3 - 4 pairs		
Sneakers	2 pairs	<b>Required</b> - 1 smooth soled (tennis), 1 for other sports
