Weather Conditions

Usually sunny, temperatures range from a low of 50 degrees to a high of 90 degrees. It usually rains at some point during camp. Some years for a couple days on end.

Arrival

All staff will report to Camp Susquehannock no later than the first Sunday of Training Week. Report to the office on arrival. If you are bringing your own car, we will show you the designated parking area (Junior Counselors not to bring cars). Do not drive on the grass at anytime, even to unload your belongs in your cabin. Please inform us ahead of time when your estimated arrival will be. You do have the option (and it is recommended) to arrive earlier than this date. Work Week begins one week prior to Training Week. Please let us know if you plan to attend Work Week so we know how many staff to cater for. During Training Week we will schedule some time off, however, you are officially working and staff responsibilities include, intense training and setting up camp for opening day.

You can e-mail Tarryn (Administrative Director) at tarryn@susquehannock.com
